Tap the logo to visit the website

Meet your workplace helper

Two simple ways to get support.

1 SAFETY CHECK

The camera checks for safety gear.

Need something?
You get a friendly reminder.

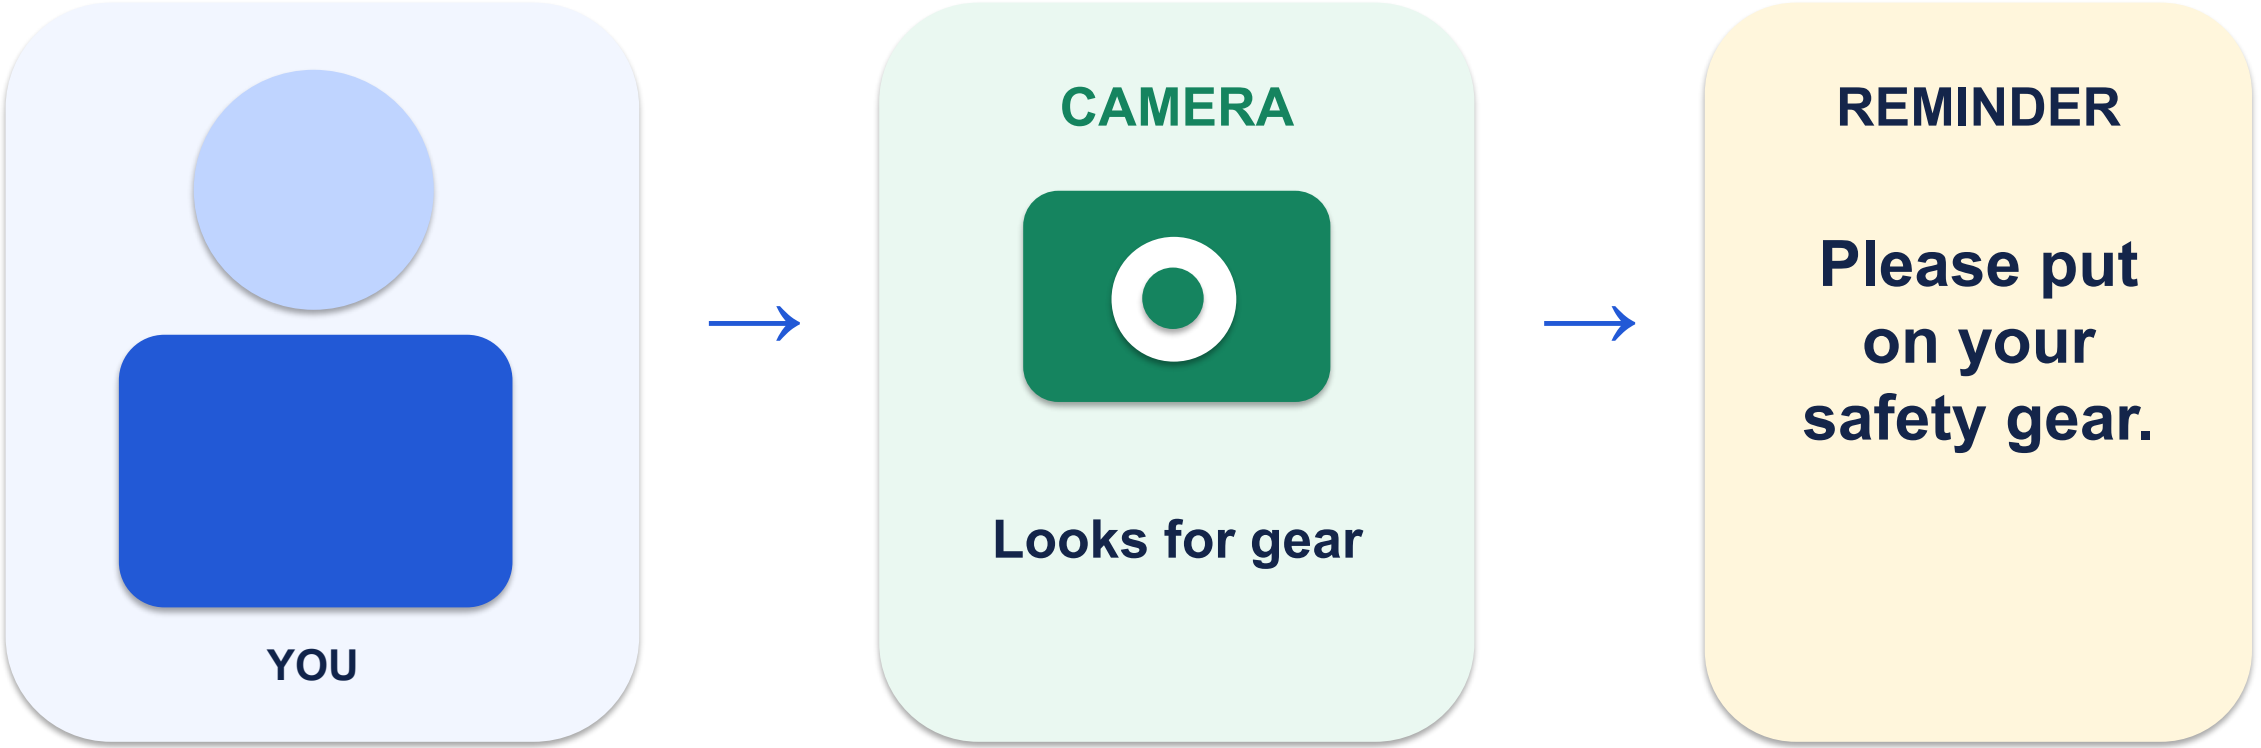

2 WORKSHOP MAP

Tap the map to see more.

Tap a symbol to learn what it means.

Ready for work?

A quick check can help you remember your safety gear.

The AI can make mistakes. A person can always help.

Find your way

Tap the map. It gets bigger.

Example plan supplied for the challenge.

1 Tap the workshop map.

2 Zoom in to see more.

3 Tap a symbol.

Tap a symbol. Learn what it means.

See it. Read it. Hear it.

FIRST AID

→

First aid

You can get help here
if you are hurt.

▶ Listen again

Example symbol. Real locations must be checked on site.

Colours help you choose

Each colour has a meaning. Tap a colour to explore.

BLUE

You must do this.

RED

Do not do this.

GREEN

Help and safe exits.

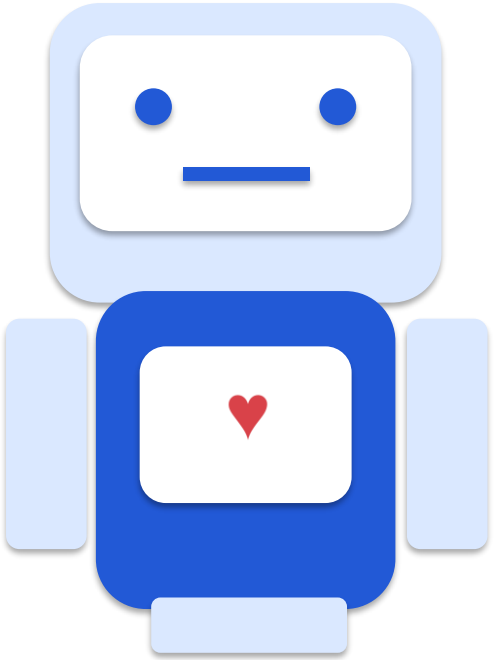

YELLOW

Be careful.

A little help. A big difference.

Our idea for a friendlier, safer workplace.

- ✓ **Remember your safety gear**
- ✓ **Explore the workshop map**
- ✓ **Learn with pictures and sound**

Thank you!
